Year 3

Health and Wellbeing

PSHE/RSE Factsheet for Parents

Within this unit of learning, children will learn about Physical Health and Wellbeing, Growing and Changing and keeping Safe. In Physical Health and Wellbeing, children will explore healthy choices and habits, what affects the different feelings they have and how they can express feelings in different ways. Within Growing and Changing, children will learn about their own personal strengths and achievements as well as managing and reframing setbacks when working towards their goals. Within Keeping Safe, children will learn about different types of risks and hazards they may come across in life as well as living safely in the local environment and unfamiliar places

Get the good feels!

Feeling good every day

Different things happen every day that make us feel good and not so good. For example, I missed the bus this morning and was late, I felt worried about it so that was a not so good feeling. But then I got a star for my art-work and I felt proud, so that was a good feeling.

There are ups and downs all the time. But there are some things we can do to help us have more of the good feels - simple ideas of things you can do every day...

- Go outside! Get some fresh air
- Run around or play - do something active that gets your body moving
- Have you got a hobby that you enjoy? Learn something new!
- Hang out with your family or friends
- Doing something nice for someone else
- Helping others - it feels good for you too!
- Read books you like
- Listen to your favourite music - sing and dance!
- Have a good night's sleep
- Relax...

What to do if something feels not so good

If things happen that make us feel not so good... don't worry! There are things you can do to feel better. Here are some ideas...

- Talk to someone about it
- Take your mind off it - do something else
- Take some deep breaths
- Count to 10!
- Know that this moment will pass
- Choose something from the list above
- If it feels very bad or not right... tell a trusted adult - they can help you!

I hope this blog helps you to get more of the good feels!
