

Year 1 to Year 6 children have TTRockstars logins where they have access to TTRockstars and NumBots.

Baseline

The purpose of the baseline is to establish an average response time to multiplication questions at the start of TT Rock Stars.

Feel free to chop out any tables you don't want to include. For example, if you only want the 2s, 5s and 10s then delete the other rows.

Carrying Out

Give the pupils a 5 minute time limit to complete what you've put in front of them. We have a countdown timer on trockstars.com under Resources > Playlist.

Marking

You can mark the questions together as a family.
