

MANOR MULTI ACADEMY TRUST have been successful in their application for a new school build for Brindley Heath Junior School Academy!!!!!!

Plans revealed for Brindley Heath Junior School Academy in Kinver, part of Manor Multi Academy Trust, rebuild under government's flagship School Rebuilding Programme

- BRINDLEY HEATH JUNIOR SCHOOL ACADEMY CHOSEN FOR REBUILD to be replaced with entirely new building, fit for the future.
- New building to have low carbon emissions and excellent facilities
- School and local community to be prioritised throughout rebuilding process

Manor Multi Academy Trust, has today, Tuesday 12th July, revealed the plans for the replacement of BRINDLEY HEATH JUNIOR SCHOOL ACADEMY with an entirely new building, securing the future of the school and high educational standards for its pupils for decades to come.

Under the government's flagship School Rebuilding Programme, all costs are being covered for the work to create the new building, which is expected to meet all the latest environmental and education standards.

Work is expected to begin in the new school year.

Over the course of the work the children will continue to be educated in the current building and the new school build will be built on the school field. Once completed the old building will be demolished and a field recreated

Anita Cliff, OBE, CEO of the Trust, shared everyone at MANOR MULTI ACADEMY TRUST are delighted that our bid for a brand-new school build has been successful, it is wonderful for our children of Kinver.
